## PIEDMONTE

Located in the north-west corner of Italy at the foothills of the Alps, Piedmont shares its borders with France and Switzerland. It is home to the famous white 'Alba' Truffle and some of the finest wines to be produced in all of Italy - these wines hailing from the towns Barbaresco and Barolo.

## VARIETIES

The undisputed king of the Piedmotesse varieties is Nebbiolo. The grape lends itself to the ability to transport site and vineyard characteristics like that of Pinot Noir and Riesling. Producing long lived wines that have an incredibly powerful but ethereal quality to them. Dolcetto and Barbera also play a big role in the wines of Piedmont as to the local white varieties of Arneis and Moscato.
